Help Us Train The Scouts !

Saturday, June 8, 2019, members of our Club will organize a large BSA Radio Merit Badge Class for several Troops at the Holly Springs UMC church from 10:00AM to 5:00PM. Join us on Thursday, May 23 at 7:31PM at the White Plains UMC on Maynard and learn all you need to know about how you can help these youngsters get their start in Amateur Radio.

Plan to be with us at the Holly Springs UMC on Saturday morning, June 8 at 108 Avent Ferry Rd., Holly Springs, at 10:00 to hang antennas. Class begins at 1:00PM.

The Radio Merit Badge introduces Scouts to the World of Radio, where they can not only talk to the world, but can understand how radio signals control everyday items from model cars to door locks on cars to drones, to GPS directions to the mobile phones most of them carry.
