

## **CARC Meeting Notes – July 23, 2020**

President Larry called the July, 2020 meeting of CARC to order via Zoom at 7:30pm, with nine members attending. The minutes of the February, 2020 meeting were read and approved. Treasurer's Report revealed a balance in the Club's account of \$7,480.20.

President Larry proposed that no dues would be collected this year, due last March, since so many meetings had been cancelled. He also suggested that the Club might wish to open a Zoom account so that our meetings would not be limited to 40 minutes. The cost would be \$179.00 annually, but after some discussion, no decision was reached.

Larry observed that ARRL had added an inducement to membership, permitting subscribing members to choose among several publications rather than be restricted to QST.

A general discussion about the format of future Zoom meetings was discussed, ending in a request by Jim Williams for a topic or speaker be volunteered for the August, 2020 meeting.

Larry concluded the July, 2020 meeting by announcing that he would host the August, 2020 Club meeting on August 27, 2020 at 7:30. He promised to notify all members of the Meeting ID and Password well in advance.

There being no more business to conduct, the July, 2020 meeting of CARC was adjourned.
