Our program, brought by Jim Williams (W4VCF), will feature “An Overview of Parks On The Air” – This presentation recounts the ARRL celebration of the 100th birthday of the National Parks System, when Hams acted as “Activators” and “Chasers” who vied for contacts involving the 59 National Parks and all other of the 408 NPS “Affiliated Areas” throughout the country.

Note:

Due to changes the FCC has made to its licensing system, starting on May 20, all amateur exam applicants must provide their FRN (Federal Registration Number) to the Volunteer Examiners (VEs) before taking an Amateur Exam.

Prospective FCC Licensees will be required to obtain an FRN before the examination and provide that number to the VE on Form 605 license application

An FCC instructional video provides step-by-step instructions on how to obtain an FRN through the FCC's Commission Registration System (CORES) can be found at <https://www.fc.gov.gov/rofrn>.

Another FCC requirement recently imposed is the addition of a \$35 fee be added to license applications. The start date for the new fee has yet to be announced.

Note: Our next Club Zoom meeting is scheduled for **June 24, 2021**. Mark your calendars!
