**Meeting ID: 842 2870 296**

**Password: 477413**

**Our program, brought by Jim Williams (W4VCF), will feature “Getting Started with Amateur Satellites” a discussion of how amateurs can try working amateur satellites, often with equipment they already have.**

**All Amateurs should note that due to changes the FCC has made to its licensing system, starting on June 29, 2021, all licensees and candidates must supply the FCC with an email address on all applications. If no email address is included, the FCC may dismiss the application as “defective.”**

**New applicants for licenses without Federal Registration Numbers, must obtain an FRN before the examination and provide that number to the VE on Form 605 license application.**

**An FCC instructional video provides step-by-step instructions on how to obtain an FRN through the FCC’s Commission Registration System (CORES) can be found at <https://www.fcc.gov/rofrn>**

**Another FCC requirement recently announced is the addition of a \$35 fee be added to license applications. The start date for the new fee has yet to be publicized, but is not expected to be imposed until 2022.**

**Note: Our next Club Zoom meeting is scheduled for **October 28, 2021**. Mark your calendars!**

**October is when we hold elections for our club officers. Anyone interested in running for office should contact Larry Schroeder via email at [larryles55@gmail.com](mailto:larryles55@gmail.com).**

**We will need someone to come forward for the position of Treasurer. Jim has done a great job, but is standing down and we need another person to take over. Please contact Larry if interested in the position. Jim will be more than glad to work with the new Treasurer on training and turnover of responsibilities.**
