

CARC Meeting Notes – January 27, 2022

President Larry called the January, 2022 Zoom meeting of CARC to order at 7:31pm, with six members attending. The Minutes of the October, 2021 Zoom meeting were read, with approval, followed by the Treasurer's Report.

Following Jim William's Treasurer's Report, he stated that he had not been able to make his usual uploads to the Club's website, and would check with Carl Barclay for help in getting the problem corrected.

Larry suggested that Club members take a look at a YouTube presentation titled "Why Are Circuits on a Board?' He found it informative and possibly the basis for a future program

Larry extended the thanks of the Club to Herb Lacey for his work getting Ritter Park reserved for a possible SwapFest in July, 2022 following several changes in policies by the Town of Cary.

Larry announced that the Club next meeting this would occur on February 24, 2022.. . Anyone with suggestions for programs was encouraged to speak up. He added that in addition to the CARC SwapFest, Hamfests were currently planned by RARS, Charlotte and Orlando.

Jim Williams presented a video featuring "RF Exposure Requirements," since Radio Amateur licensees have until June 1, 2022 to evaluate and implement needed measures to meet Federal RF exposure limits imposed in 2021. Jim exhibited steps Hams should take to insure that new limits have been met.

There being no more business to conduct, the January, 2022 Zoom meeting of CARC was adjourned.
