

## CARC Meeting Notes – June 23, 2022

President Larry called the June, 2022 Zoom meeting of CARC to order at 7:31pm, with seven members attending. The Minutes of the May 2022 Zoom meeting were read, with approval. The Treasurer's report followed with the Club's bank balance.

Larry announced that the RARS Club had invited CARC to assist in its Field Day operations at the Carroll Farm, 4501 Friendship Rd., Apex, from Friday, June 24<sup>th</sup> through Sunday, June 26<sup>th</sup>. Six Alpha and one GOTA station would be available, Operations will begin 2:00 PM Saturday, and run all night Saturday, band conditions permitting, ending Sunday at 2:00 PM. Pizza would be available for the crew Friday night, and a catered meal, including, but not limited to, barbecue would be served Sunday

President announced six assignments had been made for the CARC SwapFest on Saturday, July 16<sup>th</sup>:

- Jim Carroll would handle ticket sales at the entrance to Ritter Park
- Earl High would act as the “pusher” for Flea Market attendees, assigning them to parking spaces around the Park Shelter
- Herb Lacey would assist with Ticket Sales and would supervise the setup of the testing venue at Resurrection Lutheran Church
- Jim Williams would supply the bank for the event, issuing cash for making change and for payment of supplies, food and drinks.
- Don Hurlbert would deliver 9 bags of ice for the drink coolers and two dozen sausage biscuit sandwiches from Bojangles for resale.
- Larry would supervise the sale of equipment offered by club members if required, as well as all sales of food and drink
- Placement of directional signs on West Lochmere had no volunteers, so Don was asked to poll absent members for a candidate

A SwapFest organizational meeting would be held, Larry advised, Thursday, July 14<sup>th</sup> at the Shelter in Ritter Park at 6:30 PM of all members with assignments and any others wishing to learn more details.

Jim Williams presented an excellent video entitled “Station Grounding for Amateur Radio,” a guide for making a station safer by Communications Grounding, Signal Grounding and Lighting Grounding .

Larry reminded everyone again of the Club's next meeting on July 14<sup>th</sup> in Ritter Park at 6:30 PM, and there being no more business to conduct, the June, 2022 Zoom meeting of CARC was adjourned.
