Our program will feature Larry Schroeder (KD4HSL) presenting a video entitled "Getting Started with Digital Mode Operations." It will trace the development of this new mode of radio communication available to Amateurs and ways to get involved with the latest version. Don't miss this informative program.

Our club has an urgent need for a volunteer to take over the duties of Club Treasurer from Jim Williams, whose caregiver duties for his wife make it very difficult for him to continue.

Note: Our next Club meeting, scheduled for *October 27, 2022*, will be a *Zoom* meeting, beginning at 7:31PM. An election of officers for the 2023 Club year will be held, so please consider becoming more active in Club activities by accepting a job.
