Volume 2023, No. 3 Web site: www.caryarc.org -- Club call sign: N4NC;
Trustee: Will, K4IWW; Pres. Larry, KD4HSL; Sec'ty Don, KW4DON; Tres. Jim, W4VCF.

The **March, 2023**, meeting of the Cary Amateur Radio Club will be held at the White Plains UMC, 313 SE Maynard Rd., Cary, **Thursday, March 23, at 7:31 pm.**

Our program will feature Tom Schwartz, (NC4TS) presenting a live demonstration of FT8 Digital Mobile Radio, viable with low power and minimal antennas. Tom will describe the set up and programming involved, and demonstrate how rapidly QSOs are initiated and logged. Don't miss this informative "how to do it" program.

All members are advised that annual dues of \$10 will be collected this year, after the hiatus during the Covid Pandemic, payable beginning March 1 2023.

Please check the date of the RarsFest this year, shown below, as the Club will have two tables available for the use of members who may have equipment for sale.

Our club has an urgent need for a volunteer to take over the duties of Club Treasurer from Jim Williams, whose caregiver duties for his wife make it very difficult for him to continue.
