The May, 2023, meeting of the Cary Amateur Radio Club will be held at the White Plains UMC, 313 SE Maynard Rd., Cary, lower level, Thursday, May 25, at 7:31 pm.

Our program will feature Jim Williams, (N4VCF) presenting a vital program on Lightning Protection and Station Grounding. Lightning can destroy any station if allowed to find a path, but there are proven safeguards. Don't miss this informative "how to do it" program that will safeguard your shack and home

Future events for the club include the annual ARRL Field Day activities on June 23rd and June 24th at Woodhaven Baptist Church, 4000 Kildaire Farm Rd in Apex and CARC's annual SwapFest at Lochmere's Ritter Park on July 15th. Plans for both events will be reviewed at this upcoming meeting.

All members are advised that annual dues of \$10 are due for the 2023-2024 Club year, payable as of March 1 2023.

Our club has an urgent need for a volunteer to take over the duties of Club Treasurer from Jim Williams, whose caregiver duties for his wife make it very difficult for him to continue.
